GARDEN CITY RESORT EXPERIENCES

Our brand new unique boutique hotel awaits you right on the exciting city of Kalamata.

It is housed in a magnificent green surrounding which was transformed into this luxurious 25-room boutique hotel just this year.

Its elegant facade conceals a multicolor interior architecture with modern rooms

that boast high ceilings ,large windows and a rich pallet of colors and wallcoverings

introduced in each room. An exclusive spacious yet tranquil inner garden-courtyard, with a pleasant

open-air lounge area, gives access to the

the Saffron restaurant which will quickly become a “must” in the city.

SAFFRON RESTAURANT EXPERIENCES

Both the hotel and the garden lead to this prestigious restaurant where you can enjoy one of the most exquisite dining experiences in Greece. The restaurant will provide a

life-time experience to each guest in an area with marbles floors and vivid colours.

A close-up photograph of several white orchid flowers with yellow and pink centers, resting on a dark, wet surface. The surface is covered in water droplets, and several dark, smooth, rounded stones are scattered around the base of the flowers. The background is a soft, out-of-focus light blue and white, suggesting a bright, airy environment.

OINOTHERA SPA EXPERIENCES

By entering the Oinothera treatment areas you will leave the city's hectic pace behind you. The subtle lighting, the music, the elegant decor and attentive service welcome you to unwind. A team of therapists perform made-to-order massages to pamper each guest in the best possible way: by seeking absolute relaxation of

body and mind, renewed muscle tone or energy balance. Luxury, spaciousness, calm all coexist in perfect harmony. On behalf of the hotel, we welcome you to our Oinothera wellness facilities.
